District Court Accepting Credit Cards for Payment

Effective Monday, March 6, 2017, the United States District Court for the District of North Dakota will be accepting credit and debit cards for payment of court fees. Transactions can be completed in person at the Office of the Clerk or via telephone. Credit or debit payments are not accepted for any debt associated with a criminal case such as fines, restitution or special assessments.

The court has also activated a credit card model in the CM/ECF filing system for payment of filing fees for appeals of civil cases to the Circuit Court of Appeals. The court plans to expand the use of on-line payments following a software upgrade to CM/ECF. Please contact the Clerk of Court with questions.
